Illinois Department of Transportation

Airport Sponsor Consultant Selection Procurement Solicitation

Procurement of professional architectural, engineering, and planning services for airport improvement program grant projects is covered by state and federal law (49 USC § 47107(a) (17) and 49 CFR § 18.36, as amended). Sponsors intending to utilize state and federal funds to pay for professional services are required to conduct a Qualifications-Based Selection (QBS) process when selecting an Architectural/Engineering (A/E) or planning consulting firm. FAA guidance (150/5100-14E and 5100.38D) allows for Sponsors to procure professional services to complete multiple, phased grant projects through a single consultant selection process. These firms may be retained for up to 5 years for their services.

The following Airport Owner/Sponsor is seeking interested firms to provide professional architectural, engineering and planning services for the development of the air navigation facility known as:

Airport Name: DuPage Airport

Owner/Sponsor (Airport Authority/Municipality/County/Park or Port District): Airport Authority

Associated City: West Chicago

Official Mailing Address: 2700 International Drive, Suite 200 - West Chicago, IL 60185

Contact Name: Dan Barna

Telephone: 630-208-6184 E-mail: dbarna@dupageairport.com

Scope of Services (**Provide specific, detailed project descriptions with estimated costs*** from the airport's 3-5 year program): Rows will expand as needed.

*Example-Construct 500 ft.-long by 100 ft.-wide extension to Runway 19, including 25 ft.-wide shoulders, earthwork, drainage, edge lighting, vault modifications, NAVAID relocation and pavement marking. Estimated construction cost: $2.5M
1. Echo T-Hangar Asphalt Pavement Rehabilitation - Phase I - Estimated construction cost $174,930.
2. Echo T-Hangar Asphalt Pavement Rehabilitation - Phase II - Estimated construction cost $175,852
3. Runway 10/28 Easement Acquisition Program - Estimated construction cost $409,985
4. Upgrade Airport Perimeter Fencing Per RSAT Team Recommendations - Estimated construction cost $1,738,060
5. Echo T-Hangar Asphalt Pavement Rehabilitation - Phase III - Estimated construction cost $186,323
6. Rehabilitate Taxiway W and Connectors (Phase 1 of 3) - Estimated construction cost $3,933,081
7. Echo T-Hangar Ashphalt Pavement Rehabilitation - Phase IV - Estimated construction cost $160,068 8. Airport Layout Plan and Exhibit "A" Updates As-Needed. Estimated cost $100,000.

Interested firms should have experience completing minor Airport Layout Plan update drawings and simple environmental clearances. A PREQUALIFICATION RATING FROM THE ILLINOIS DEPARTMENT OF TRANSPORTATION IS REQUIRED FOR CONSIDERATION.

It is anticipated that the professional services for the projects under consideration will be substantially accomplished within the 5-year retainer period.

Firms interested in being considered for the projects described in the above Scope of Services should contact the Owner/Sponsor by February 26, 2016 **for further information. A Request for Qualifications package will be sent to interested, qualified firms at that time.**
