**Technical Application PM1080 (revised 6/1/17) is required. No previous version of the PM1080 will be accepted.

**ILLINOIS DEPARTMENT OF TRANSPORTATION
POSITION DESCRIPTION**

DATE:	January 15, 2015	POSITION:	Design Technician
APPROVED BY:	<u>Roger Driskell</u>	OFFICE/DIVISION:	Highways Project Implementation/ District 7/Program Development
CODE:	PW011-23-57-303-10-01	REPORTS TO:	Sr. Plan Project Squad Leader

Position Purpose:

This position assists the squad in the preparation of exhibits, reports and plan sheets for highway and bridge improvements by performing drafting, performing and checking of calculations, and other routine tasks. This position is included in the rotational program for Engineers and Engineering Technicians

Dimensions:

Project Studies:	5-20 annually
Contract Plans:	5-20 annually
	\$50,000 to \$1,000,000 in contract value

Nature and Scope:

This position reports to a Senior Plan Project Squad Leader or a Design Squad Leader, as do 1 to 5 other Design Squad Members. There are no subordinates to this position.

This position may be enrolled in a rotation program and may be assigned to various sections or bureaus in the District. These responsibilities may involve performing various assigned duties within their section or the sections of Programming, Studies and Plans, Project Support, Land Acquisition, Construction, Materials, Local Roads, Maintenance, Bridges, and Traffic.

The incumbent is a member of an interdisciplinary study and design team which is responsible for highway projects from initial planning work through preparation of contract plans and specifications. This function primarily involves tasks assigned by the Squad Leader which may include preparation of exhibits and maps, drafting of plan and profile sheets, calculation of quantities, and checking of quantity calculations and computer data entry.

Typical problems encountered by the incumbent include ensuring that plan details and exhibits are in compliance with prescribed standards and specifications. The incumbent's greatest challenge is to ensure the exhibits and plans sheets are clear, concise and completed in a timely manner.

Functions personally performed by the incumbent include gathering of data for project studies and reports; determinations of construction limits; calculation of quantities; drafting of special design details; preparation of exhibits and maps required for internal meetings and meetings with the public and other agencies; and checking of other plan calculations.

The incumbent must perform his/her duties in accordance with the guidelines of the AASHTO Design Manual, the IDOT Policy and Procedural Manual, and design policies and procedures. This position has sufficient latitude to accomplish prescribed objectives with a minimum of supervision. Assignments requiring deviation from generally accepted standards will normally require input from the Squad Leader.

The incumbent has frequent contact with his/her Squad Leader. There are occasional contacts outside the squad for the purpose of obtaining information pertaining to specific problems.

The effectiveness of this position is measured by the quality, quantity and timeliness of completion of the assigned tasks.

Principal Accountabilities:

1. Drafts detailed layouts of highway improvements which are used in the preparation of complete design plans.
2. Performs routine calculations for quantities.
3. Assists with informational meetings, public hearings, and presentations to describe projects, including the preparation of exhibits and maps.
4. Ensures assignments are accomplished in an accurate and timely manner in compliance with design standards and specifications.
5. Performs duties in compliance with departmental safety rules. Performs all duties in a manner conducive to the fair and equitable treatment of all employees.
6. Performs other duties as assigned.
