JOB DESCRIPTION:

The Illinois Department of Transportation is posting this job position for Snow Removal Operator (Hourly Snowbirds). Snow Removal Operators (Hourly Snowbirds) are seasonal, temporary, non-benefit, on-call employees who are utilized primarily for snow-removal operations.

Snow Removal Operators (Hourly Snowbirds) perform a variety of tasks related to the maintenance, repair and upkeep of Illinois' roads, bridges and other related structures and features.

Snow Removal Operators (Hourly Snowbirds) promptly respond to emergency weather situations to inspect roadways and remove hazardous materials and obstacles. Snow Removal Operators (Hourly Snowbirds) assist IDOT's full-time highway maintainers in emergency snow and ice control, by operating snow plows to plow and remove snow, as well as by spreading salt and sand.

Snow Removal Operators (Hourly Snowbirds) operate CDL Class A and B licensed vehicles, including maintenance trucks, tractors, snowplows, salt spreaders, compressors, and other highway equipment for the use of maintaining and snow plowing during the winter season.

Snow Removal Operators (Hourly Snowbirds) assists in servicing, washing, and performing minor repairs (oil and lubricant changes) of equipment such as trucks, tractors, snowplows, salt spreaders, compressors, graders, and other light highway equipment.

Snow Removal Operators (Hourly Snowbirds) perform routine housekeeping duties and other tasks associated with the general care of the headquarters' grounds.

JOB REQUIREMENTS:

Applicants must possess a valid Class 'A' or 'B' Commercial Drivers' License with an 'N' or 'X' endorsement and non-restricted air brakes.

Applicants must be available to work in emergency conditions at any time, including weekends, holidays, and nights.

Applicants must be able to report to the maintenance facility as early as practicable, but never in excess of 45 minutes of being called.

Applicants must be available to work when called up from October 16th through April 15th (dates are dependent on the weather).

Applicants must be able to pass a background check, a pre-employment physical, drug/alcohol testing, and vision testing.

JOB LOCATION:

At this time, IDOT District 4 is only seeking applicants for the counties in IDOT District 4 listed below.

These counties are: Fulton County, Henderson County, Knox County, Marshall County, McDonough County, Mercer County, Peoria County, Stark County, Tazewell County, Warren County and Woodford County

As such, when filling out your Application (PM2414), please ensure that you select two (2) counties where you are available to work, with your first preference listed first.

JOB SELECTION:

Applicants will be selected based on availability, job-related experience, and qualifications only.

Applications that are complete (all questions must be answered), and that are accompanied by all additional required documents or documentation, will be scored based on the answers provided on the Application (PM2414). As such, please provide as much detail on the Application as possible. If asked for examples, list as many examples as possible and applicable. If you need additional space for responses or examples, please attach a separate page.

Interviews will not be conducted for this position.

Selected applicants will be notified by IDOT District 4 and will be scheduled for required pre-employment physical examinations, vision tests, and drug/alcohol tests.

ALL APPLICANTS ARE SUBJECT TO RANDOM DRUG/ALCOHOL TESTING
