Lane closures on Algonquin Road begin May 5

CHICAGO – The Illinois Department of Transportation announced today that a bridge deck overlay with joint repairs on the Algonquin Road (Illinois 62) bridge over the Fox River, in Algonquin, will require lane closures beginning, weather permitting, May 5.

In order to complete the project, Algonquin Road from Main Street to Highland Avenue will be reduced to one lane in each direction.

The project is expected to be completed in October.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
