CHICAGO – The Illinois Department of Transportation (IDOT) announced that an emergency pavement repair today will require closing the right lane of westbound Interstate 80 just west of Interstate 55 near Joliet. The closure is anticipated to last from 9 a.m. until no later 3 p.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
