IDOT: Lane Closures on IB I-55 (Stevenson Expressway) at US 45 (LaGrange Road) for Bridge Inspection Saturday

Chicago- The Illinois Department of Transportation (IDOT) announced that weather permitting, a bridge inspection on the US 45 (LaGrange Road) bridge over I-55 in the village of Hodgkins, will occur the morning of Saturday, May 10, 2014.

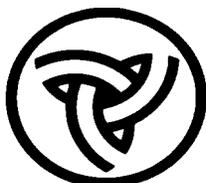

In order to complete the work, it will be necessary to close the right lane and the entrance ramp from southbound US 45 (LaGrange Road) to inbound I-55 from 4 – 7 a.m. Saturday Morning. A minimum of two lanes will be open at all times.

Due to the short duration of the ramp closure, a posted detour will not be set. Drivers seeking to access IB I-55 on the closed ramp are advised to continue south on US 45 to IL 171 north and on to I-55.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at www.dot.state.il.us. Updates on the impacts to traffic are available at www.travelmidwest.com.
