**IDOT: Restricted Parking near Ontario Street  
Bridge Demolition Site**

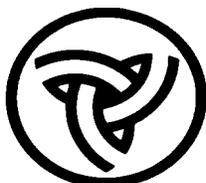

**Chicago-** The Illinois Department of Transportation (IDOT) announced that due to limited space and potential safety hazards—no vehicles, including live trucks and crew vehicles will be allowed to park at the Accident Investigation Site (AIS) located along EB I-90/94 (Kennedy Expressway) at Ontario/Ohio.

There will be heavy equipment in the area. Space is needed for maneuvering of equipment.

Due to limited space in the demolition zone, IDOT will not have a designated spot for media set up. Information about the Ontario Street Bridge demolition can be found at:
