I-74 Cable Guardrail Installation Begins

Location - Paris

The Illinois Department of Transportation (IDOT) announces that, weather permitting; work is scheduled to begin April 21, 2014 for installation of cable guardrail on I-74 from west of Prospect Avenue in Champaign to Lindsey Road (2 miles west of I-57) Champaign county.

This project includes earthwork, adjustments to the existing drainage system and installation of a high tension cable guardrail system in the median of the interstate. Traffic on I-74 will be reduced to one lane in each direction at locations where work is ongoing with the left hand lane being closed during daytime hours. While work is ongoing, please observe all traffic control signs.

The anticipated completion date is October 2014, weather permitting. The contractor for the \$2.1 million work is Cross Construction.

Motorists are advised to slow down and drive carefully through this and all work zones.
