

**Airport Sponsor Consultant
Selection Procurement Solicitation**

Procurement of professional architectural, engineering, and planning services for airport improvement program grant projects is covered by state and federal law (49 USC § 47107(a) (17) and 49 CFR § 18.36, as amended). Sponsors intending to utilize state and federal funds to pay for professional services are required to conduct a Qualifications-Based Selection (QBS) process when selecting an Architectural/Engineering (A/E) or planning consulting firm. FAA guidance (150/5100-14E and 5100.38D) allows for Sponsors to procure professional services to complete multiple, phased grant projects through a single consultant selection process. These firms may be retained for up to 5 years for their services.

The following Airport Owner/Sponsor is seeking interested firms to provide professional architectural, engineering and planning services for the development of the air navigation facility known as:

Airport Name: Chicago Rockford International Airport
Owner/Sponsor (Airport Authority/Municipality/County/Park or Port District): Greater Rockford Airport Authority
Associated City: Rockford, IL
Official Mailing Address: 60 Airport Drive
Contact Name: Michelle Cassaro
Telephone: 815-969-4445 E-mail: scassaro@flyrfd.com

Scope of Services (**Provide specific, detailed project descriptions with estimated costs*** from the airport's 3-5 year program): Rows will expand as needed.

*Example-Construct 500 ft.-long by 100 ft.-wide extension to Runway 19, including 25 ft.-wide shoulders, earthwork, drainage, edge lighting, vault modifications, NAVAID relocation and pavement marking. Estimated construction cost: \$2.5M
1. Preliminary phase services including environmental assessment and associated preliminary engineering for the development of a mid-field air cargo development including site work, utilities, grading, drainage, paving, and associated improvements. Construction cost for the proposed program is currently estimated at \$50,000,000.
2.
3.
4.
5.
6.
7.

Interested firms should have experience completing minor Airport Layout Plan update drawings and simple environmental clearances. A PREQUALIFICATION RATING FROM THE ILLINOIS DEPARTMENT OF TRANSPORTATION IS REQUIRED FOR CONSIDERATION.

It is anticipated that the professional services for the projects under consideration will be substantially accomplished within the 5-year retainer period.

Firms interested in being considered for the projects described in the above Scope of Services should contact the Owner/Sponsor by July 11, 2018 for further information. A Request for Qualifications package will be sent to interested, qualified firms at that time.
