

Emergency Purchase Number: EA 14-07

Office/Division: Division of Highways - District 4

Address: 401 Main Street
Peoria, IL 61602

Chief Procurement Officer: Bill Grunloh

Vendor: United Ready Mix, Inc.

Address: #1 Leland Street
Peoria, IL 61602

Estimated Cost: \$60,000.00

Final Cost: \$21,829.80

This expenditure is justified as:

- An emergency involving public health.
- An emergency involving public safety.
- Necessary to protect State property from further loss or damage.
- Necessary to prevent or minimize serious disruption in State services.
- Necessary to insure integrity of State records.
- Quick purchase as provided by Section 20-30 (d) of the Illinois Procurement Code.

The conditions and circumstances requiring this emergency expenditure are:

The pavement on Business Route 24 beneath the TP&W Railroad Viaduct has experienced pavement failure due to excessive moisture and heavy frost. As the area has degraded, Operations has continued to add cold patch to the area. However, due to the moisture, the cold patch will not bond and requires constant vigilance and maintenance. The viaduct is very narrow and has poor drainage. As a result, the pavement degradation within the viaduct causes a hazard to the safety of the traveling public. In order to address this emergency condition, the district has contacted Day Labor, and they have agreed to do an emergency repair. As part of the emergency repair, the district is pursuing emergency purchases of both concrete and aggregate. District personnel have contacted three vendors requesting quotes for concrete. The responses were as follows:
 United Ready Mix, Inc. - \$87.00/cubic yard
 Prairie Material - \$88.40/cubic yard
 Roanoke Concrete Products Co. - \$113.05/cubic yard
 United Ready Mix, Inc. was the low bid at \$87.00/cubic yard.

District personnel have contacted three vendors requesting quotes for recycled crushed concrete. The responses were as follows:
 United Ready Mix, Inc. - \$8.00/ton
 United Contractors Midwest - \$14.50/ton
 Prairie Materials was contacted, and declined to bid because they didn't have the material available.
 United Ready Mix, Inc. was the low bid at \$8.00/ton.

All other required material will be provided through existing Day Labor contracts.
