Final Cost: **36,504.00**

This expenditure is justified as:

- An emergency involving public health.
- An emergency involving public safety.
- Necessary to protect State property from further loss or damage.
- Necessary to prevent or minimize serious disruption in State services.
- Necessary to insure integrity of State records.
- Quick purchase as provided by Section 20-30 (d) of the Illinois Procurement Code.

The conditions and circumstances requiring this emergency expenditure are:

On Wednesday, December 2, 2015, the salt dome at District One's Landscape Maintenance Yard collapsed spreading debris around and on the dome site as well as stranding the endloader at the top of the salt pile. The Maintenance Yard is located at 1260 W. Augusta near downtown Chicago. The dome is located in close proximity to the I-94 off ramp to Augusta Boulevard.

State forces do not have the expertise to demolish this size of a collapsed building and State forces do not have the capacity to lower the endloader from the top of the salt pile without jeopardizing the motorists utilizing the I-94 ramp to Augusta Blvd.

The following contractors were contacted to provide informal bids.

Alpine Demolition Services - \$26,700.00

Omega Demolition Corp - \$28,885.00

Robinette Demolition, Inc. - \$32,000.00

Alpine was selected because of the bid price and being able to mobilize immediately.
