Domestic Steel Act Applies: All iron and steel products, which are to be incorporated into state projects shall be domestically manufactured or produced and fabricated. The Contractor shall obtain from the iron or steel producer and/or fabricator, in addition to the mill analysis, a certification that all iron or steel materials meet these domestic source requirements. The application of all coatings, epoxy, galvanizing, painting, etc., to metal products shall be domestically applied.

**Snowplowable Raised Pavement Markers
Submittal for Approval**

Effective: March 1, 2004
Revised: December 8, 2016

Page 1 of 2

A. Scope

The following guidelines are provided to clarify the submittal requirements for approving an iron casting and or replacement reflector according to Article 1096.01 **Raised Reflective Pavement Markers** of the Standard Specifications for Road and Bridge Construction.

B. Procedure

When submitting an iron casting or replacement reflector to the Department, the following shall be included with the material:

- The specific product brand name,
- Technical Data Sheet,
- A signed letter stating the subject material will not be changed without written notification to the Department,
- Contact person's name, title, address, email address, and phone number, and
- Acknowledgement by Company (see next page).

The sample and submittal information shall be sent to:

Analytical Chemistry Lab
Illinois Department of Transportation
Bureau of Materials & Physical Research
126 East Ash Street
Springfield, IL 62704-4766

C. Recertification

Recertification of all Raised Reflective Pavement Markers is required every five years or when a change is made to the manufacturing process.

Illinois Department of Transportation
Bureau of Materials and Physical Research

**Snowplowable Raised Pavement Markers
Submittal for Approval**

Effective: December 8, 2016

Instructions for Acknowledgement by Company:

The owner, partner, or corporate officer shall complete the following and return a signed and dated copy with the product submittal or recertification.

_____ desires to obtain advance approval of materials to be
(Insert name of company)
supplied to Department of Transportation contractors as more fully described herein. I
and _____ understand that the Department of Transportation
(Insert name of company)
reserves the right in its contracts to approve materials at the source of supply as
provided in Article 106.01 of the Standard Specifications for Road and Bridge
Construction. I and _____ further understand that approval of
(Insert name of company)
company supplied material pursuant to this request does not constitute a contract to
supply material to the State of Illinois or any of its contractors, and that the Department
of Transportation does not assure or guarantee that any materials approved hereunder
will be supplied to the State or any of its contractors. In consideration of approval, I and
_____ agree to the terms, conditions and performance
(Insert name of company)
standards of the Standard Specifications for Road and Bridge Construction.

Type of Company: Individual Partnership Corporation
