August 14, 2014

## **CIRCULAR LETTER 2014-12**

### **LOCAL GOVERNMENT COMPONENT OF THE 2014 CAPITAL BILL**

COUNTY ENGINEERS/SUPERINTENDENTS OF HIGHWAYS  
COUNTY TREASURERS  
MUNICIPAL TREASURERS  
HIGHWAY COMMISSIONERS

The Illinois Department of Transportation will provide local public agencies with the \$100 million local government component of the 2014 Capital Bill program. These funds will be distributed based on the Motor Fuel Tax (MFT) formula.

This \$100 million distribution represents approximately 18 percent additional funding beyond the normal annual MFT allotment local public agencies receive. Distribution allotments may be viewed on-line at <http://www.idot.illinois.gov/transportation-system/local-transportation-partners/county-engineers-and-local-public-agencies/mft-distribution/index> under the "Yearly" tab.

This installment will be distributed through mailed checks from the Illinois Comptroller's Office to the local public agencies. These funds must be deposited into the local public agencies' MFT account and expended in accordance with MFT standards, policies, and procedures. We anticipate that the local agencies will receive this additional funding in the very near future.

The Department encourages all local public agencies to join our email subscription service. This service is free and provides local public agencies with all Bureau of Local Roads and Streets announcements including circular letters, policy changes, and training announcements. Please visit this website under the "Stay Connected" tab to subscribe today:
