GUIDE TO THE LISTINGS

For each project accomplished, the following information is provided:

• Route/City- the marked route designation and/or street name and identifies the city. For those improvements on unmarked state routes and local system routes, the system designation and route number are provided. Some funds have been awarded for improvements at various locations. In these cases, "Various" is noted in the route designation. Also shown is the identification number for each project (0-XXXXX-XXXX), which corresponds to the number in the program.

• County - the county or counties where the improvement is located.

• Description - this item includes both a description of the location of the project and the type of improvement.

• Award Date - for awards this is the date the program item was awarded. For obligations, this is the date the obligation was approved.

• TAMP Category – identifies the Transportation Asset Management Plan (TAMP) category that the projects fall within.

• Award Cost - total of awards or obligations charged to the program item.

• The first digit of each page number indicates the district in which a project is located. For example, all projects shown on page 6 – 4 are located in District 6.
