Nighttime Lane Closures on Kingery Expressway near Torrence Avenue

CHICAGO – The Illinois Department of Transportation (IDOT) announced that temporary lane closures will take place on Kingery Expressway (Interstate 80/94) east of Torrence Avenue (Illinois 83), in Lansing, beginning, weather permitting, Monday, May 23. The closures are necessary for noise wall panel repair and installation.

In order to complete the work, occasional, nighttime lane closures will take place on Kingery Expressway until the project is completed in Summer 2016. Traffic impacts are expected to be minimal as most of the work will take place off the road.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
