US 51 Business Northbound Structure Replacement

Normal – The Illinois Department of Transportation announces that weather permitting; work is scheduled to begin March 14, 2016 for the reconstruction of the structure carrying US 51 Business northbound over Sargar Creek, north of Virginia Avenue in Normal.

This project will include complete removal and replacement of the existing structure, associated earthwork and pavement replacement. US 51 Business will be reduced to one lane at this location while construction is ongoing and will be restricted to 10 feet, six inches in width.

The contractor for this \$1.4 million project is Stark Excavating. The estimated completion date is Nov. 30, 2016.

Please slow down and use extreme caution while driving through all work zones.
