FAX 815-434-6998

The Illinois Department of Transportation announced today that there will be a **Load Restriction Weight Posting of 10 Tons for Single Unit Vehicle (including buses) and 21 Tons for Multiple Unit Vehicles (such as heavy trucks, tractor-trailers and all other combinations)** on the structure number 019-5309 that carries Crego Road over a branch of Somonauk Creek right off US-30, 1-Mile East of IL-23 & US 30 Intersection in Dekalb County.

Posting signs will be installed within the next 30 days. This is due to the structural deteriorations of the existing structure.

Thank you for your understanding while the Department evaluates and schedules the replacement of the structure on its Multi Year Highway Improvement Program.

Please slow down and use extreme caution while driving through all work zones.
