## **Illinois 26 work begins Aug. 10**

*Pavement patching, resurfacing in Woodford County*

**PEORIA** – The Illinois Department of Transportation announced that construction on Illinois 26 in Woodford County begins Aug. 10.

The project involves pavement patching and resurfacing from Spring Bay to the Marshall County line and will reduce the road to one lane, with traffic controlled by flaggers. Work is expected to be complete in four to six weeks, weather permitting.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
