Bridge Repairs on Interstate 39 Beginning July 6

Hudson – The Illinois Department of Transportation announces construction will begin on six structures carrying Interstate 39 over two unnamed creeks and County Highway 12 near Hudson Illinois.

This project will include, water scarification of 6 concrete bridge decks, completing necessary patching and placing a latex modified overlay on all six decks. The anticipated completion date is November 30, weather permitting. The contractor for this \$4,000,000 project is Stark Excavating.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
