I-74 shoulder work set June 30

PEORIA – The Illinois Department of Transportation announces that the shoulders along westbound Interstate 74 at the Illinois 6 interchange (exit 87B) in Peoria will close June 30.

The closures are necessary to pour foundations for a new overhead sign structure and will last from 8:30 a.m. to 3:30 p.m. Work to install the sign structure will occur later this summer.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
