Illinois 26 to close June 22 south of Lacon

Emergency pavement repairs needed

LACON – The Illinois Department of Transportation announces that Illinois 26 about 5 miles south of Lacon will close to all traffic June 22.

The closure is necessary to make emergency pavement repairs and is expected to last one to two weeks. A detour will be posted.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
