PRESS RELEASE

IL 157 at Foley Dr/Lake Blvd, St. Clair County - Update

East St. Louis, Illinois – The Illinois Department of Transportation announces the intermittent daytime and overnight lane closures on northbound and southbound IL 157 at the intersection of Foley Dr. / Lake Blvd that started on Tuesday, May 26th, will continue through the close of business on Friday, June 12th. The lane closures are required to complete pavement patching. The East St. Louis Maintenance Yard will make the needed repairs. Full access will be restored as soon as possible.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
