Fifth Avenue resurfacing begins this week

CHICAGO – The Illinois Department of Transportation announced today that starting this week the resurfacing of Fifth Avenue from North Avenue (Illinois 64), in Melrose Park, to Lake Street, in Maywood, will require daily, intermittent lane closures.

The project, which involves patching, resurfacing and constructing new ADA compliant sidewalk ramps, is expected to be completed in September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
