I-55/74 work around Twin Cities begins June 1

BLOOMINGTON-NORMAL – The Illinois Department of Transportation announces that construction on Interstate 55/74 around Bloomington-Normal begins June 1.

The project involves pavement patching, resurfacing and striping the 7-mile section between the I-55/74 and I-39 interchanges, with one lane closed in each direction. Work is expected to be complete by Sept. 30, weather permitting.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
