PRESS RELEASE – LANE CLOSURES

St. Clair County

Belleville – The Illinois Department of Transportation announces lane closures will be encountered at Frank Scott Parkway over IL 15 in Belleville. The lane closures are needed to repair a damaged bridge girder, and will occur as follows:

On Frank Scott Parkway, the northbound lane will be closed, with temporary traffic signals in place to allow traffic to utilize the southbound lane.

On eastbound IL 15 under Frank Scott Parkway, lane closures will occur daily from May 13 to May 29, 2020. Weather permitting, the lane closures will occur on weekdays from 7:00 a.m. to 3:00 p.m. There will be no night-time, weekend, or holiday lane closures on IL 15 at this location.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
