CONSTRUCTION NEWS RELEASE

*LANE REDUCTIONS
MAIN STREET
CITY OF RIDGWAY
GALLATIN COUNTY*

The Illinois Department of Transportation would like to alert motorists traveling on Main Street in the City of Ridgway of upcoming LANE REDUCTIONS.

Beginning Monday, September 21, 2020, weather permitting, there will be road construction work on Main Street from IL 1 to Murphy Street in Ridgway that will require lane closures beginning at 7am. Traffic will be reduced to one lane in each direction and controlled by flaggers. Work is expected to be completed on October 30, 2020. Work includes pavement patching, asphalt surface removal, asphalt paving and pavement markings. Motorists should reduce speed, be alert to equipment and workers and use extreme caution while traveling through all work zones.

To avoid any delays motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.
