## Temporary lane closures on I-190 near Mannheim Road

**CHICAGO** – The Illinois Department of Transportation announced today that routine bridge inspections will take place on Interstate 190 and CN Railroad bridge, near Mannheim Road (U.S. 12/45), in Chicago, weather permitting, from 6:30 a.m. to 11 a.m. Saturday, Dec 18.

In order to complete the inspections, lane closures will take place on I-190 near Mannheim Road, using a moving operation, alternating in both directions. At least one lane in each direction will remain open at all times and the ramps will not be impacted.

The inspection is weather dependent. If work on Saturday is canceled due to inclement weather, the inspection will be attempted, weather permitting, Sunday, Dec. 19, from 6:30 a.m. to 11 a.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
