## Peterson Road closures in Libertyville begin Aug. 2

**CHICAGO** – The Illinois Department of Transportation announced today that cleaning and painting of the bridge that carries the Metra Milwaukee District North Line over Peterson Road, in Libertyville, will require a full closure on both sides of Peterson Road at the bridge, weather permitting, from Monday, Aug. 2, to Monday, Aug. 16.

A detour will direct motorists to U.S. 45 and Buckley Road (Illinois 137). Access to businesses and residences will be maintained.

Motorists can expect occasional delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,535 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
