## **CONSTRUCTION NEWS RELEASE**

### *BRIDGE CONSTRUCTION*

#### *IL 146*

#### *Johnson County*

CARBONDALE-The Illinois Department of Transportation would like to alert motorists traveling on IL 146 of an upcoming lane closure beginning at 7 a.m. Monday, July 19, weather permitting.

The project consists of replacing the structure carrying IL 146 over Little Cache Creek in Vienna that will require lane closures. Traffic will be reduced to one lane and controlled by signals. Work will be completed by July 29, 2022.

Motorists should be aware of the 11'-0" width restriction, reduce speed, be alert for equipment and workers and use extreme caution while traveling through all work zones.

To avoid any delays motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.
