Public meeting on I-57/64-Illinois 15 interchange

CARBONDALE – The Illinois Department of Transportation is hosting a public meeting April 26 for people to learn more and comment about the preliminary engineering and environmental study for improvements to the Interstate 57/64 interchange with Illinois 15 in Mount Vernon.

The meeting will be held:

**Tuesday, April 26
4:30 – 6:30 p.m.
Roland Lewis Community Building
800 S. 27th St.
Mount Vernon**

The meeting's purpose is to provide an overview of the study process and schedule, present the project's proposed improvements and obtain public input.

The study is necessary to address safety concerns and evaluate the interchange capacity and mobility improvements to reduce delays.

The public can view exhibits, maps, leave comments and ask questions of IDOT and the project consultant. Comments also can be provided until May 10 via the project website:
<https://projectmeetingonline.com/mt-vernon-interchange-at-il-15/>.

Comments received by mail and postmarked before May 10 will become part of the official public meeting record. Written comments not submitted via the website should be sent to:

**Illinois Department of Transportation
P.O. Box 100
Carbondale, IL 62903
Attn: Carrie Nelsen, IDOT Program Development Engineer**

People without internet access can contact Nelsen at (618) 549-2171, ext. 280, for more information about the project.
