Illinois 125 repairs begin April 11 at two Beardstown intersections

BEARDSTOWN – The Illinois Department of Transportation announced that emergency resurfacing repairs on Illinois 125 at the intersections with U.S. 67 and Arenzville Road in Beardstown begin April 11, weather permitting.

Traffic will be maintained using flaggers, allowing one lane to remain open at all times on Illinois 125, U.S. 67 and Arenzville Road. The project is expected to be completed at the end of the month.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
