PRESS RELEASE—Lane Closure *Madison County—WB I-270 over Mississippi River*

Granite City – The Illinois Department of Transportation announces an upcoming lane closure on WB I-270 over the Mississippi River. Beginning Monday, April 25, 2022, the right lane will be closed, and traffic will be reduced to one lane in the WB direction between the hours of 9:00 AM and 7:00 PM, Monday through Thursday, weather permitting. These daily closures are expected to continue for approximately three weeks, progress and weather permitting. All entrance and exit ramps near this location will remain open during construction.

These lane closures are necessary to allow IDOT Day Labor forces to complete essential repairs necessary for this structure.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
