East State Street (U.S. Business 20) work in Rockford begins Aug. 3

DIXON – The Illinois Department of Transportation announced today that, weather permitting, work on East State Street (U.S. Business 20) at Rome Avenue in Rockford will begin Wednesday, Aug. 3.

Work will consist of pavement cores and will take place between 8 a.m. and 2 p.m. on Wednesday, Aug. 3. One lane in each direction will be maintained through the work zone.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
