Inbound Dan Ryan ramp, lane closures Saturday

CHICAGO – The Illinois Department of Transportation announced today that a routine bridge inspection of the Taylor Street ramp to the inbound Dan Ryan Expressway (Interstate 90/94), in Chicago, is scheduled to take place, weather permitting, Saturday, Dec. 3.

In order to complete the inspection, lane closures will take place on the inbound Dan Ryan, between Roosevelt Road and Taylor Street, from 5 a.m. to 10 a.m. Saturday. In addition, the Roosevelt Road ramp to the inbound Ryan will also be closed. Due to the short duration of the closures, no detour will be posted. Alternative routes are encouraged.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
