Illinois 59 lane closures in Barrington

CHICAGO – The Illinois Department of Transportation announced today that a project to repair two storm sewers on Illinois 59 (Hough Street/Barrington Road), between Hillside Avenue and Main Street/County Line Road, in Barrington, will require lane closures, down to a single lane with flaggers, weather permitting, from 8 a.m. to 10 p.m. Thursday, July 28.

Access to local businesses and residences will be maintained.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
