PRESS RELEASE – Lane Closure

*IL Route 4 South of FAI 64
Mascoutah, Illinois, St. Clair County*

Mascoutah - The Illinois Department of Transportation announces daily lane closures will be encountered on IL 4, south of FAI 64, starting Monday, August 1, 2022, through December 15, 2022. This work is necessary to complete turn lanes, intersection improvements, and the installation of traffic signals at the new Boeing plant and at Mid-America Boulevard. Work is being completed by Keller Construction and Wissehr Electric.

Motorists may experience traffic congestion with delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
