## Work at the railroad crossing near Robinson on Illinois 1 to begin June 20

**EFFINGHAM** – The Illinois Department of Transportation announced that the northbound lane of Illinois 1 (Grand Junction), east of Robinson at the railroad tracks, will close from Monday, June 20, through Wednesday, June 23.

The work will reduce Illinois 1 to one lane during the day, with flaggers directing traffic. The work is necessary to repair the crossing due to water issues.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
