Illinois 130 in Camargo to close June 20 *Rail crossing work expected to last 7-10 days*

CAMARGO – The Illinois Department of Transportation announced that Illinois 130 between Main Street and Hickory Lane in Camargo will close June 20.

The closure is necessary for the Decatur & Eastern Illinois Railroad to replace its crossing and is expected to last seven to 10 days. A detour will be posted.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,500 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
