## **PRESS RELEASE**

### *Frey Meadows Rd, Pocahontas, Illinois, Bond County*

Pocahontas – The Illinois Department of Transportation announces intermittent roadway closures on Frey Meadows Rd between Baumann Rd and Pokey Rd beginning on Thursday, June 9, 2022, through the month of July, 2022, weather permitting. During this time portions of the roadway will be completely closed to through traffic; however, access will be maintained to all side streets and property owners along the roadway.

These restrictions are needed to do roadway pavement repairs. IDOT District 8 Operations forces will make the needed improvements. Full access will be restored as soon as possible.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
