**CONSTRUCTION NEWS RELEASE**  
*HOT MIX ASPHALT RESURFACING*  
*OLD IL 13 and IL 13*  
*CITY of HARRISBURG*  
*SALINE COUNTY*

CARBONDALE-The Illinois Department of Transportation is alerting motorists traveling on Old IL 13 and IL 13 in Harrisburg of the construction project beginning at 7 a.m. Monday, March 21, weather permitting. Traffic will be reduced to one lane and controlled by flaggers.

The work on Old IL 13 is between the intersections with IL 13. The work on IL 13 is between the intersection of IL 13/US 45 and the Pankey Creek Bridge.

The project includes pavement patching, hot mix asphalt removal, hot mix asphalt paving and ADA sidewalk improvements. The work is expected to last until July 1.

Motorists should obey flaggers, reduce speed, be alert for equipment and workers and use extreme caution while traveling through all work zones.

To avoid any delays, motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.
