## Lane closures on Butterfield Road in Downers Grove

**CHICAGO** – The Illinois Department of Transportation announced today that repairs to the bridge that carries Butterfield Road (Illinois 56) over Interstate 355, in Downers Grove, will begin, weather permitting, Monday, April 4.

To accommodate the work, Butterfield Road will be reduced to two lanes in each direction between Briarcliff Road and Downers Drive.

The project, which consists of a new bridge deck overlay and expansion joints repairs, is expected to be completed by early October.

Motorists can expect delays and should allow extra time for trips through this area. Alternative routes are strongly encouraged. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,535 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
