## Green Bay Road at Casimir Pulaski Drive traffic signal improvements

**CHICAGO** – The Illinois Department of Transportation announced today that starting this week, a project to upgrade the traffic signals at the intersection of Green Bay Road (Illinois 131) and Casimir Pulaski Drive/14<sup>th</sup> Street/Audrey Nixon Boulevard, in North Chicago, will require intermittent daytime lane closures.

The work is expected to be completed in early September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
