## Glenwood Lansing Road bridge closing April 1

**CHICAGO** – The Illinois Department of Transportation announced today that repairs to the bridge carrying Glenwood Lansing Road over Illinois 394, in Glenwood, will require a full closure at the bridge beginning, weather permitting, Friday, April 1.

A posted detour will direct motorists to Stony Island Avenue, Joe Orr Road and Cottage Grove Avenue. Motorists should also expect occasional overnight lane closures on Illinois 394 at the bridge during that time.

The project, which consists of repairs to the bridge deck and structural steel, joint replacement and a new deck overlay and approaches, is anticipated to be completed in early September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,535 miles of highway and nine million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
