Resurfacing of I-474 resumes March 14

PEORIA – The Illinois Department of Transportation announced that resurfacing of Interstate 474 between I-74 (exits 0A-B) and Airport Road (exit 5), west of Peoria, resumes March 14.

The work will close the right lane in both directions of I-474, and the ramp from Maxwell Road to westbound I-474 also will be closed with a detour posted. The project is expected to be complete in late October.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,500 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
