Culvert repairs on 27th Street in Moline begin May 9

DIXON – The Illinois Department of Transportation announced today that, weather permitting, culvert repairs on 27th Street in Moline will begin Monday, May 9. The work zone is located just north of John Deere Road (Illinois 5).

Lane closures will be utilized to maintain traffic through the work zone. The left lane of 27th St. will close in both directions at 7 a.m. Monday, May 9, concluding Thursday, May 12. The right lanes will then close beginning at 7 a.m. Thursday, May 12, concluding Monday, May 16.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
