Bridge inspections over I-55 at Pulaski Road

CHICAGO – The Illinois Department of Transportation announced today that a routine inspection of the bridges carrying Pulaski Road over the Stevenson Expressway (Interstate 55) and the two BNSF Railroad bridges over I-55, just east of Pulaski Road, will require temporary lane closures, weather permitting, from 7 a.m. to 1 p.m. Sunday, Oct. 23.

In order to complete the inspections, up to two lanes on I-55 in both directions will be closed at any time just before each bridge.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 2,500 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Three of Rebuild Illinois included approximately \$8.6 billion of improvements statewide on 4,422 miles of highway, 412 bridges, and 621 additional safety improvements.
