U.S. 51 around Clinton to close Nov. 2 *Railroad repairs expected to last until Nov. 4*

CLINTON – The Illinois Department of Transportation announced that U.S. 51 between Exit Business U.S. 51 South and Exit Business U.S. 51 North in Clinton will be closed Nov. 2-4.

The closure is necessary for the Canadian National Railway to replace signals at its crossing just north of Illinois 54 on the western edge of Clinton. A detour will be posted.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 2,500 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Three of Rebuild Illinois included approximately \$8.6 billion of improvements statewide on 4,422 miles of highway, 412 bridges, and 621 additional safety improvements.
