Lane closures on the Edens at Peterson Avenue

CHICAGO – The Illinois Department of Transportation announced today that starting this week, repairs to the bridge carrying Peterson Avenue (U.S. 14) over the Edens Expressway (Interstate 94), in Chicago, will require lane closures.

To complete the work, both sides of the Edens approaching the bridge will be reduced from three to two lanes of traffic. The project is anticipated to be completed by the end of this month.

Motorists can expect delays and should allow extra time for trips through this area. Alternative routes are strongly encouraged. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
