Bridge over I-74 to close April 10 *Work zone near Congerville*

CONGERVILLE – The Illinois Department of Transportation announced that Irons Road (County Road 1650E) over Interstate 74, just east of the Mackinaw Dells Rest Area in Woodford County, will close April 10.

The closure is necessary for repairs to the bridge and is expected to last through the end of May. A detour will be posted, and no lane closures on Interstate 74 are expected.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 2,500 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Three of Rebuild Illinois included approximately \$8.6 billion of improvements statewide on 4,422 miles of highway, 412 bridges, and 621 additional safety improvements.
