St. Clair County: Illinois 163 improvement begins April 10

CAHOKIA HEIGHTS – The Illinois Department of Transportation announced today that an improvement project to widen the shoulder on Illinois 163, from Illinois 157 to Concordia Church Road, will require intermittent daytime lane closures beginning, weather permitting, Monday, April 10. Flaggers will maintain traffic in both directions.

At least one lane in each direction will remain open throughout construction, which is anticipated to be completed later this summer.

Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
